

RAH INDUSTRIES INC

P r e c i s i o n M e t a l F a b r i c a t o r s S i n c e 1 9 7 1

As of January 11, 2021

RAH Industries remains operational as we are an essential part of the supply chain for Prime Defense Contractors. While operational RAH is adapting to Responsible Workplace Practices during COVID-19 Pandemic.

RAH is currently operating at 79% capacity during the COVID-19 Pandemic.

Currently RAH's vital suppliers are operating at 44% to 66% Capacity

The following actions are still in effect:

- Travel: Business travel is limited; urge extreme caution and judgment regarding personal travel.
- Meetings: All non-essential meetings with visitors, including suppliers, are suspended. Use teleconference and/or web-based meetings, if possible.
- RAH Facility Visitors: RAH will be limiting facility visitors to essential business functions only. Non-employees may be verbally pre-screened upon arrival for symptoms of COVID-19 and temperature check is mandatory. If you suspect you are ill, do not visit the facility.
- RAH Employees: the use of face masks and best practices for Social Distancing.
 - Additional daily workplace cleanings before, during, and after normal workday hours are in progress.

Please refer to Centers for Disease Control (CDC) for additional information, updated recommended medical protocols and news regarding any announcements from State or Federal authorities. RAH Industries will adhere to all Local, State, and Federal mandates.
